Surrounded with acres of fresh, green spaces, this community promises to offer you the best in cosmopolitan lifestyles. Awake to the glory of the blue skies and sleep under a blanket of stars.

Be a part of the new world.

INTRODUCING UDAAN

AN EPITOME OF A PERFECT LIFESTYLE

Udaan - the Personal floors at Jaypee Greens Sports City are an epitome of fine living. These buildings rise to the 4th floor, with just two units per floor. With a location few can rival and an easy access to the community's rich tapestry of amenities, each moment that you spend at *Udaan* is a rare privilege.

These 2 & 3 BHK efficiently designed apartments offer an expansive view of the '*Boulevard of life*' and are close to the '*Buddh International Circuit*'. The residents of these apartments will have an access to the social club, multiple landscaped leisure areas along with sit outs, kids play zones, a leisurely walk along driveways and much more.

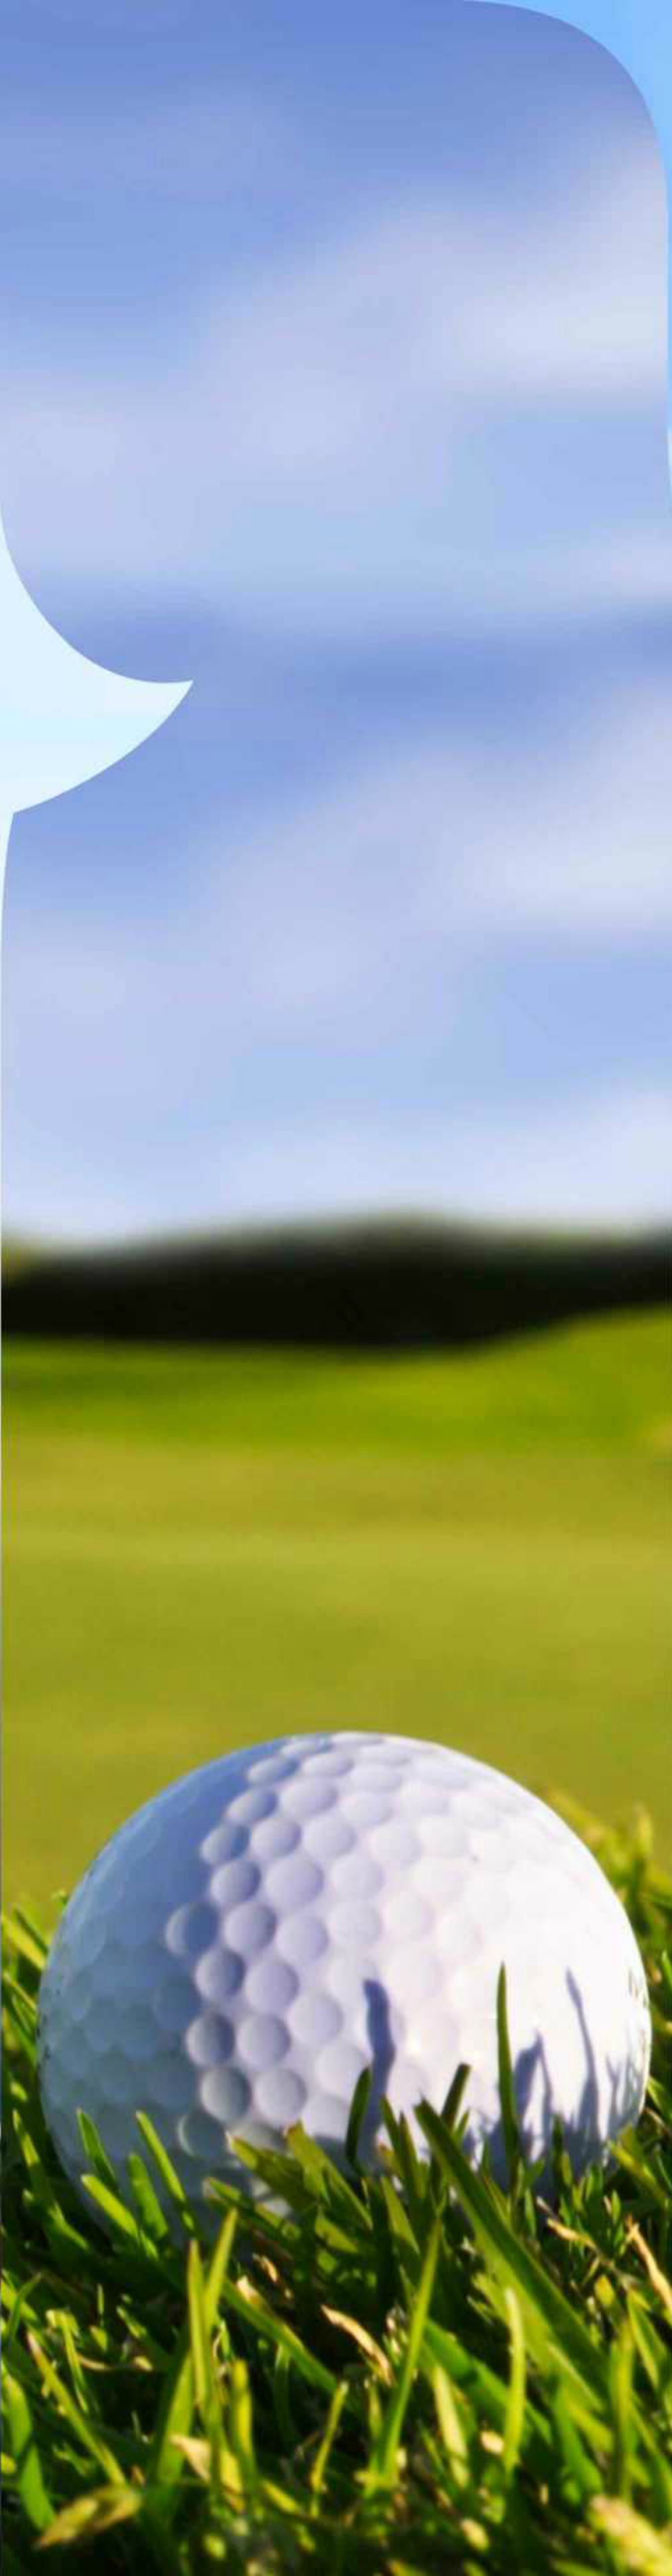

BLESSED BY NATURE'S BOUNTY AND DESIGNED TO STAY SO FOREVER

Endowed with its own eco-system, *Udaan* has been designed to enrich life in a responsible manner and safeguard its natural splendor for all time, incorporating every system and process to protect & preserve the environment.

Udaan is adjacent to the beautiful and iconic *Boulevard of life*, a first of its kind in India. It is an 80 to 200 metres wide landscaped green thoroughfare, running across the entire length of the Sports City, adorning it with its lush green fervor. Cafes, restaurants, retail outlets, along with amphitheatres, cultural arenas, thematic gardens and lakes are a part of this beautiful spine of the city. It also serves as the main transportation passage with separate lanes for motorists, cyclists and pedestrians giving each of them their own space.

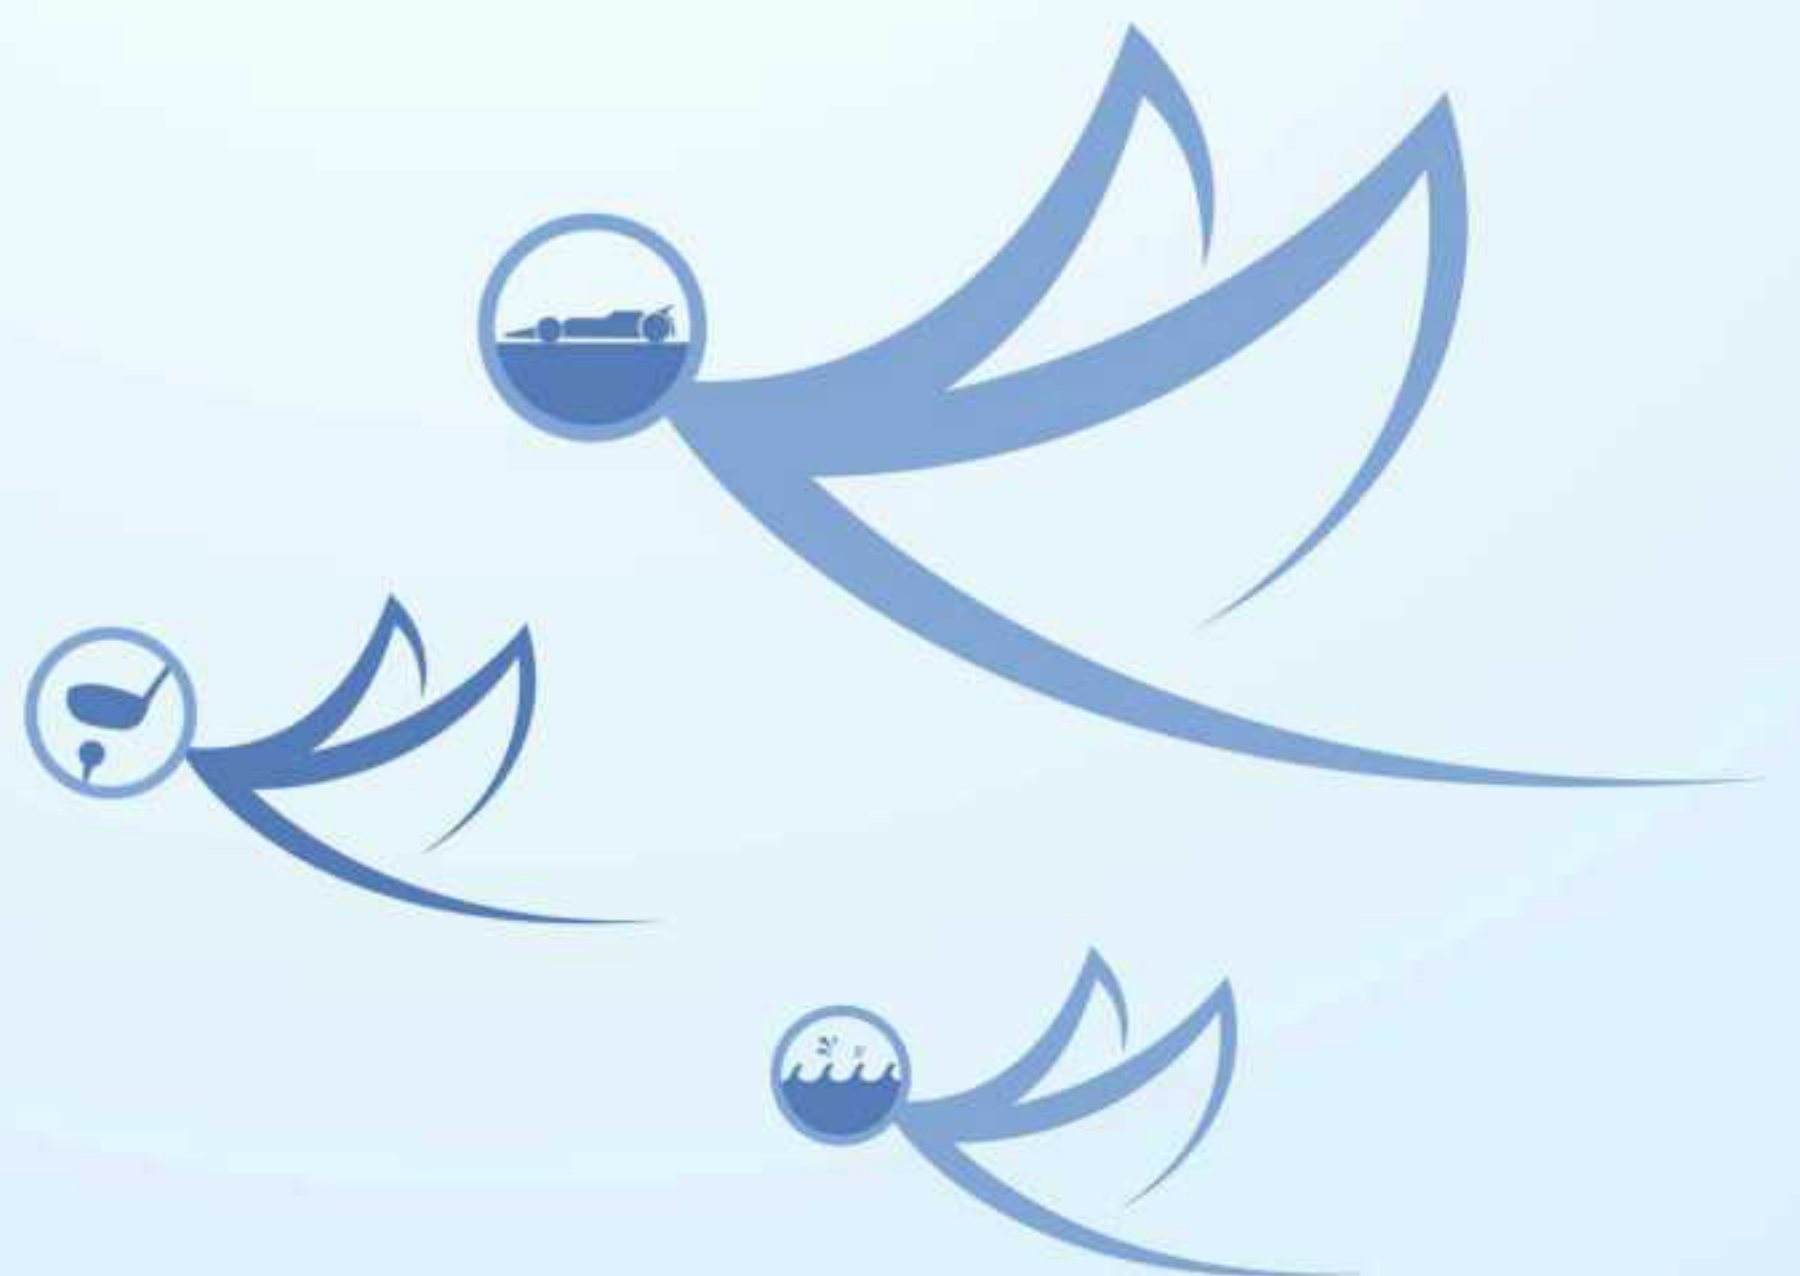

ONE CITY.

INFINITE EXPERIENCES.

A townscape is never complete without the perfect everyday splurge. So we placed a variety of services closer to your doorstep. The *Jaypee Greens Sports City*, a one-of-its-kind city in India comprises of perfectly crafted homes with breath-taking views of perennial lakes and canals. Social clubs, Motor Racing Track, Cricket Stadium and other international sports centres add to the splendor. With all modern facilities, the city offers regular water supply, 24 hours electric power supply, centrally monitored advanced security system and medical & education facilities. *It does not get any better than this.*

As with all the other facilities at the Sports City, the residential precinct has been shielded from entry of non-residents, using the facilities at the Sports City, thus ensuring complete privacy to the residents.
